

2015
EXPO

ZERO WASTE
EVENT

Naturally ILLINOIS

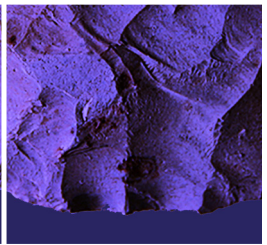

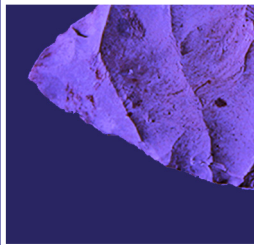

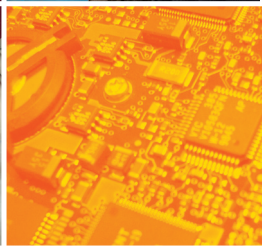

APRIL | 17: 9am-3pm
18: 10am-3pm

TWO LOCATIONS IN CHAMPAIGN, IL:
Forbes Natural History Building
Illinois Sustainable Technology Center [ISTC]
Forbes: 1816 South Oak Street, ISTC: 1 East Hazelwood Drive

You'll find over 50 exhibits, hands-on activities, and demonstrations about the natural and cultural resources of Illinois. Interact with scientists from the State Scientific Surveys who work on innovative research solutions to water, energy, ecosystem, climate, technology, and cultural resource issues. Exhibits include: Floodplain Simulation, Kids' Fossil Dig, Bugging the Dinosaurs, Animal Bones of Illinois, and much more! Exhibits at ISTC are geared to high school students.

FREE! All ages welcome!

Teachers and groups, please contact Mary Richardson in advance at 217.300. 3479 or mjr@illinois.edu.
